Additional Item Information

The following additional items are requested for certification this year (attach additional sheets if more space is needed):

Type of Item (crop, animal, product, etc.)	Location / Field(s)	Total Units (acres, head, etc.)	Projected Yields	Inspected	
				Yes	No

Notes:

These products and/or fields were not listed on my *OEFFA Organic System Plan (OSP)* for the year, but I would like this/these item(s) to be certified. I state that all information above is true, accurate, and complete. No prohibited inputs have been applied to any fields requested for certification during the three-year period before harvest of an organic crop. No prohibited substances have been used with any livestock requested for certification.

Please attach completed field history forms and maps for any fields not included on your OEFFA Organic System Plan (OSP). If you have not managed new land for 3 years prior to requesting certification, please attach a Prior Land Use Statement.
