## Grazing Record

**Use this form to mark the days each month that your livestock were grazing on pasture. Ruminant livestock must receive on average at least 30% of their dry matter demand from pasture during the grazing season per NOP §205.237(c).**

Year \_\_\_\_\_ Name / Farm Name \_\_\_\_\_ Type & Class of Ruminant \_\_\_\_\_

This form can be used to show which days animals were grazing and which days they were not. If animals were not grazing, note the reason on this document or in a separate diary, log, or calendar. You can use a combination of markings and/or colors to record this information. It may also be useful track the grazing location.

MONTH	Key of Symbols/Colors: <i>example: X = not grazed because of bad weather, Y = not grazed because of risk to soil/water quality, Z = not grazed because of breeding, etc.</i>
