Industrial Hemp Production Statement

Complete this form if you are requesting to certify the production of industrial hemp.

- I understand that only hemp produced in accordance with the U.S. Domestic Hemp Production Program and/or the 2014 Farm Bill may be certified as organic, if produced in accordance with the USDA organic regulations.
- I affirm that I am responsible for ensuring that the industrial hemp produced by the operation listed below and requested for organic certification complies with all applicable federal and state laws.
- If the state where industrial hemp production is occurring has their own USDA-approved plan, I will obtain and maintain licensing through the state plan. If the state where industrial hemp production is occurring does not have a USDA-approved plan, then I will obtain and maintain licensing through the Federal plan.
- I agree to have documentation regarding my licensing available during inspection.
