Prior Land Use Statement

Name of producer seeking certification for this land: _____

Operation Name: _____

If you are currently requesting certification for land that has not been under your management for the past 3 years, have the previous manager of the land complete and sign this form. Your Field History and Prior Land Use Statement(s) must account for the last 3 years of management. Please include this land on your farm map, field history, and Organic System Plan (OSP). A letter or alternative form may also be accepted to document prior land use if it includes all the required information. You may sign the statement yourself if you were the manager for the year(s) listed.

TO BE COMPLETED BY THE PREVIOUS LAND MANAGER:

Please complete the table below for the applicable fields. List all inputs, including fertilizers, herbicides, pesticides, fungicides, seeds (including seed treatments) as well as all other input materials and the **dates** of application. If inputs were not applied to respective fields during the last three years, **please clearly state "none"** in this section of the form.

IF THIS LAND IS CURRENTLY CERTIFIED ORGANIC UNDER YOUR NAME: Please complete this form **AND** attach a copy of your organic certificate.
