OEFFA's handler certification application fee is determined by your operation's gross sales from organic products and services in 2023. **This fee is due with the renewal paperwork. The deadline for renewing operations is March 31, 2024.**

**Inspection fees and expenses are additional and will be billed after the inspection.** Your inspector will contact you to discuss these fees before your inspection. The inspection fee is determined by the complexity of your operation, the number of sites the inspector must visit, the length of the inspection, and the travel expenses incurred by the inspector. **Inspection fees typically range from \$250 to \$1,000.**

## Calculate your APPLICATION FEE

**1. Base Application Fee, based on your 2023 gross sales from organic products and services.** *Organic Gross Sales will be verified at inspection. Certified operations may apply to their appropriate state agency for organic certification cost-share reimbursement.*
