## Grazing Record

**Use this form to mark the days each month that your livestock were grazing on pasture. Ruminant livestock must receive on average at least 30% of their dry matter demand from pasture during the grazing season per NOP §205.237(c).**

Year \_\_\_\_\_ Name / Farm Name \_\_\_\_\_ Type & Class of Ruminant \_\_\_\_\_

This form can be used to show which days animals were grazing and which days they were not grazing. If animals were not grazing, note the reason. It might also help to track the location where grazing took place. You can use a combination of markings and/or colors to record this information. For example, -- = animals were grazing; X= not grazed because of bad weather. Alternatively, you could keep this information in a diary or on a calendar.
