GREAT!  
Write down the date the last prohibited substance was applied.

GREAT!  
Ask that person to fill out a [prior land use statement](#) going back three years or until the last prohibited substance was applied.

THAT'S OK  
Your transition begins the last time you applied a prohibited substance.

**Keep doing organic management.**  
**Count forward 36 months.**  
That is your coming out of transition date.
